ECHOG PRE PLANNED ROUTES 101

1) Open the ECHOG website in your web browser:
<http://www.echog.com/>

2) On the home page...left side menu...click "**LINKS**"

3) On link page ...click "**ECHOG Preplanned Routes**"

4) Ride list will be shown....review available rides (note previous club ride date will be shown under column "**Club Date**")

5) Click the small picture in the "**Picture**" column for an overview of the route. Click the PDF icon in the "**Route**" column for detailed route info. To view the ride in more detail...under "**DESCRIPTION**" place cursor on information and click....this hyper link will open the selected ride in the **HARLEY RIDE PLANNER (HRP)** in a new window

6) At the **HRP** page you will see selected ride description ...click on "**VIEW OR EDIT**" to view route.

7) Map will openclick on "blank road symbol" ...right click mouse...drop down menu will appearreview options or select "**SHOW ROAD**"

8) The new map will show the **PREPLANNED RIDEIN BLUE**

9) Review route in detail utilizing zoom in/ out tools

10) Note: on the map.. one of the road symbols will not have a number and is blank...click on it...menu will open...

11) Click on "**ADD TO MY RIDE**" ...RIDE ROUTE WILL TURN RED...with route in red you can PRINT OR GPS SYNC....

NOTE.... you cannot **SAVE RIDE or EMAIL ROUTE** unless you have an established Harley Ride Planner Account. Sign in or create an account if you do not have one by clicking the link at the top of the page.

12) **GPS SYNC** shown allows you to down load the route to your personal GPS

13) Exit out of **HRP** and close the window to return to the ECHOG ride page...

14) If you decide to use one of the PREPLANNED rides as a club ride (in the near future)....send an Email to our webmaster (webmaster@echog.com) identifying the ride ...and provide a ride date and request a reserve lock under your name

15) **NOTE: A PRE RIDE SHOULD BE DONE PRIOR TO THE CLUB RIDE...** This should be done as close to the planned ride date as possible to verify the route is still safe for use.

16) If you (the road captain) decide to take the club on a ride not on our preplanned list.....and if you would like to share the route ...contact the webmaster (webmaster@echog.com) with the info...drawing/route/restaurant info and preferably a ride planner link where you have built the ride. (If you need assistance send the route info and one of our crew will "build it for you" and add it to the ride link)

17) Those that have a HARLEY RIDE PLANNER account are encouraged to build club rides....we all have some cool places we have ridden and great out of the way eating adventures...so share them...

HARLEY RIDE PLANNER

It is recommended for anyone who likes to ride or possibly lead a ride, open up an account in the Harley Ride Planner (**HRP**). The account is free and a great site for planning rides. Having the **HRP** access will allow you to save rides, email, print, etc. From there you can share your ride with others and use the **hyper link** of the route to post your ride on the ECHOG Facebook site.
