MEMBER HIGHLIGHT

Tyler Lewis

Tyler and Lynsey Lewis are both ECHOG Members. Tyler is our Secretary! Tyler's first bike was a 2019 Harley Sportster 883 and since then they have upgraded to a RoadKing and now a 2021 StreetGlide.

Tyler is from a small town close to Chatanooga, TN. The beach brought him here but meeting Lynsey, the love of his life, got him to stay. Tyler says that he has dreams of riding to Sturgis and to California. One thing that might surprise people about him is that when he was in TN he was a hang glider instructor and pilot. If Tyler hit the jackpot he would LOVE a blue StreetGlide - big wheel bagger with 28 inch front wheel and air ride suspension.
